In endeavoring to capture the essence of Suffolk High School, the yearbook staff has chosen Kaleidoscope, as the theme of the 1967 PEANUT. With each turn of a Kaleidoscope, unique patterns are visible as the many parts unite to form one picture. As you turn each page, as you view each intricate part in the Kaleidoscope of this book and this school year, you will see a blending of elements that form a whole picture, the picture of Suffolk High School.

This is S.H.S.

S.H.S. is a kaleidoscope of people and activities. It is a place to grow . . . a place to learn . . . a place to laugh . . . a place to renew old friendships . . . and make new ones. S. H. S. is a place to remember.

DEDICATION

Traditionally each yearbook staff singles out a person to receive the one special honor it can bestow. In its selection for 1967, the staff was guided by a Senior Class vote.

The recipient has served a procession of graduating classes as sponsor, teacher, arbiter, mentor, and friend. Often our severest critic, but always our guide and defender, she will be long remembered by each of us for her efforts to make us into ladies and gentlemen, capable of speaking, writing, and appreciating the "King's English".

With respect and affection, we dedicate this forty-fifth volume of THE PEANUT to

MRS. WILLARD B. LIPSCOMB

Mr. William R. Savage, Jr., Superintendent

Our efficient janitorial staff does much to contribute to the clean and orderly atmosphere of the school.

Behind The Scenes

Mrs. Duke works hard to maintain a consistently high level of quality in our cafeteria.

The school nurses, Mrs. Hall and Mrs. Holland, are ever present to lend a helping hand.

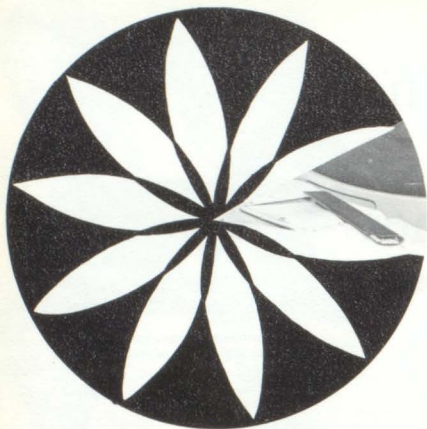

Overseeing the entire range of work on our buildings and grounds is Mr. Jack Jones.

The book store staff is always there with a friendly smile and just the needed supplies.

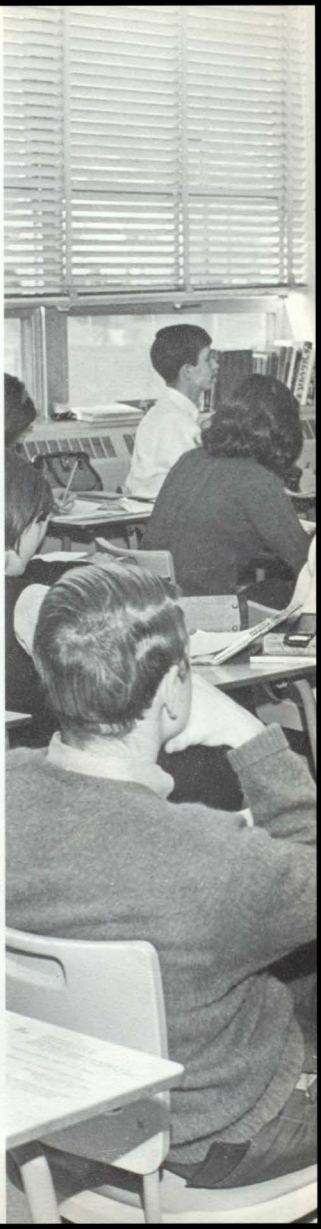

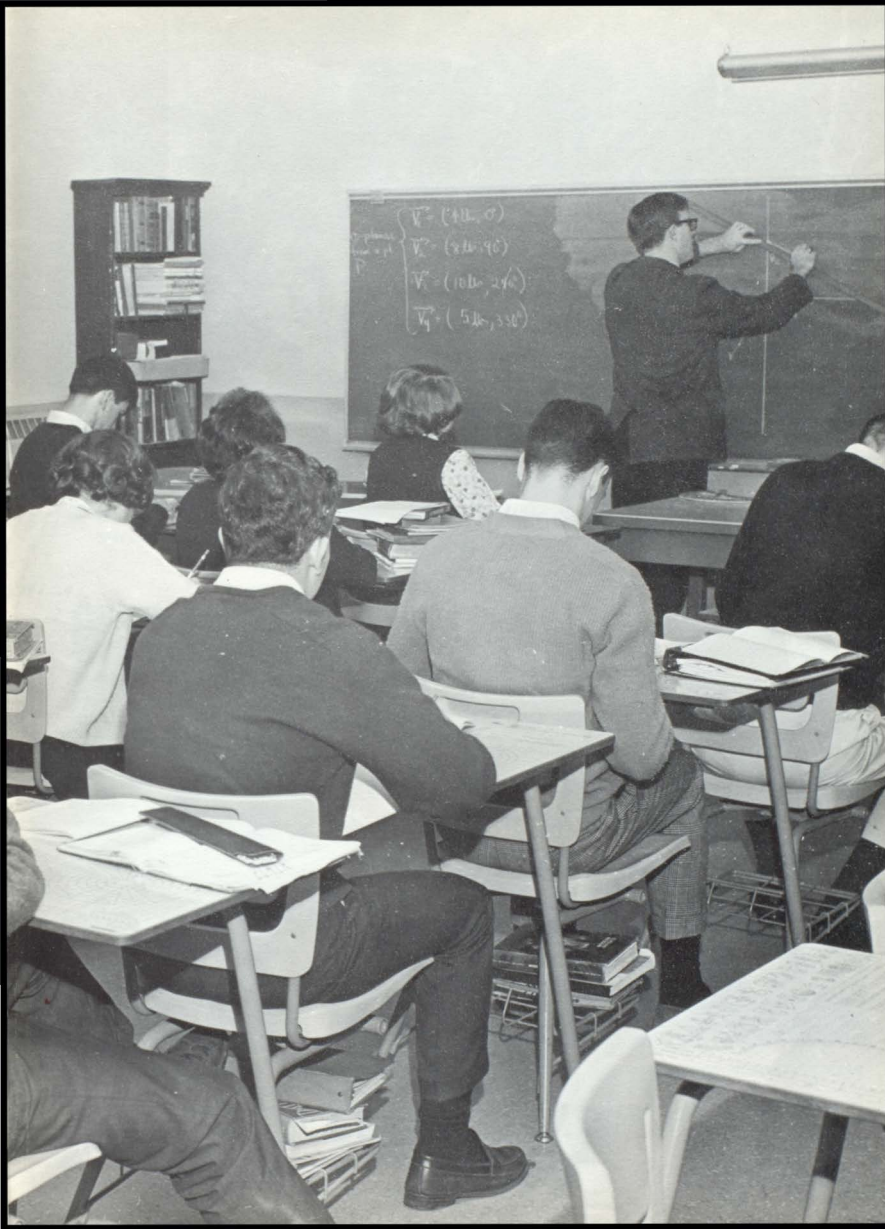

Our two hard-working friends in the office - Mrs. Eddy and Mrs. Paine.

The Student Senate which meets at 8:05 every other Friday morning is the governing body of SHS. Its membership consists of representatives elected from each homeroom. Through the Senate, students are free to make complaints or suggestions which will better Suffolk High. The Senate takes on various projects in the school and community. At Christmas the Senate members distributed Santa mugs filled with candy to residents at Hillcrest and the Lakeview Nursing Home. For student enjoyment, the Senate sponsors the annual Sadie Hawkins dance. The Ways and Means Committee serves as a body which helps enforce Senate projects. The Student Senate is recognized by the school and community as an effective governing body and will remain as such with strong leaders and student cooperation.

Student Senate members attend the annual Miller & Rhoads Forum.

PURPOSE: To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of Suffolk High School.

Throughout the year the Honor Society works to raise money for a scholarship to be awarded some worthy senior. This is accomplished by means of bake sales and the now-familiar cloakroom at home basketball games. To encourage greater scholastic achievement, the club also sends congratulatory letters to honor roll students and hosts them at a number of socials. Posters are placed in the halls promoting the four aspects of Honor Society; Character, Scholarship, Leadership, and service. In addition, members enjoy a consistently high level of informative and often provocative programs.

DEBATE TEAM

The debate team began the year with more experience, more interest, and prospects for an even better season. Last year debate returned to the roster of school activities after a long absence, and many improvements have been noted in this season's performance. Under the direction of local attorney Mr. Robert Gillette and Captain Tazewell Daughtrey, a large active squad quickly took shape. The problem area for the year is foreign aid; the debate topic, "Resolved: That the foreign aid program of the United States should be limited to non-military assistance." In preparation for the all-important district tournament, practice rounds were held with Windsor and at the Warwick and Ferguson invitational tournaments. Participating were Mary Jane Gatling, Tazewell Daughtrey, Lynette Culpepper, Charles Garrett, and Patrick Pierce. Further, at least three other tournaments are scheduled before the district meet.

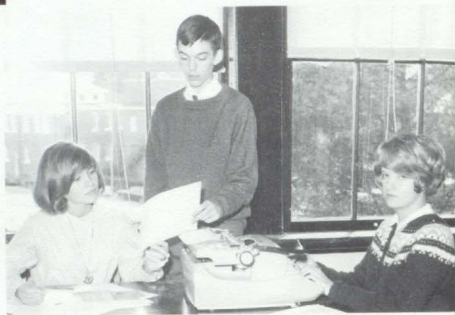

Debaters hold a practice session before tournament competition.

Here are the organizers. Their job is to plan the entire annual, set up picture schedules, and put everything together for the final result - the PEANUT.

Working closely together to insure best results are the Copy Editor, the Photographic Editor, and the Photographer.

PEANUT STAFF

Next are the assistants. They work with the entire staff doing any of the odd jobs which may be assigned.

The Business Staff are our money-makers. This year the Business Staff sold subscriptions to the annual to help meet their budget plus soliciting ads from city merchants.

PEANUT PICKER STAFF

The news and activities reported in the PEANUT PICKER also give us a picture of Suffolk High School in the Kaleidoscope. Co-editors Dinah Murphy and Michela English have undertaken the not-so-easy job of publishing our school newspaper every six weeks. Assisted by Donna Shaw, Jane Eddy, and Nancy Lou Langston, our co-editors have been able to keep up the high standard of the PEANUT PICKER.

Service Projects

Work around school, polishing trophies . . .

. . . Washing bulletin boards.

The purpose of Tri-Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. This year the two chapters of the Gladys Yates Tri-Hi-Y have done much to fulfill this lofty ideal, but on the other hand, they have not neglected purely social activities. At the beginning of the year, a barbecue was held for the new members so that they could become acquainted with the other club members. As community service projects, the Tri-Hi-Yer's gave a Christmas party for the local underprivileged children, helped with the T. B. drive, and sent flowers to the Lakeside Nursing Home. Numerous school projects were also carried out including: writing inspirational quotations on classroom boards, preparing bulletin boards, and other varied activities. In a unique person to person undertaking, members sent letters to soldiers stationed in Viet Nam. The club also recognized Tri-Hi-Y Week by placing informative leaflets in local church bulletins. The club is rightly proud of its past accomplishments and looks forward to even greater heights of service and fellowship.

Civic Samaritan

At the District Hi-Y Conference, Hope Faircloth was elected a representative in the Junior Hi-Y Assembly.

The Civic Samaritan Tri-Hi-Y, Chapters 1 and 2 have proved as active as other Hi-Y's at S.H.S. To increase the treasury, the members sold Krispy Kreme Doughnuts. For the Disabled American Veterans, the clubs sold forget-me-nots. The Tuberculosis Association was aided when the members helped in sending Christmas Seals. A contribution was made to the Cheer Fund to help needy families in the Suffolk area. Hardy thanks go to the Civic Samaritan Tri-Hi-Y clubs as they have proved a capable and hard-working group.

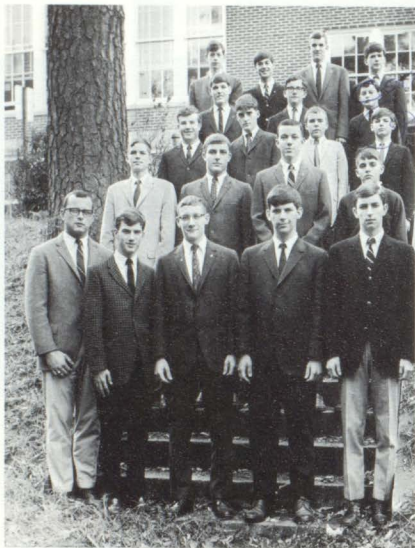

The Hi-Y's of S.H.S. chose these delegates to attend the Model General Assembly. They are Hayden Gwaltney, Jane Eddy, Ellen Beville, Donna Shaw, and Tazewell Daughtrey.

Hi-Y Club

The Hi-Y Club's purpose this year has been to relate a Christian attitude in our school and community projects. For the community, the club gave a food box to the Salvation Army. During Hi-Y Week, the members gave devotions for the student body. To live up to the Christian ideals, the members attend various churches in the community. The Hi-Y serves as a club for boys to instill in them the Hi-Y platform of clean speech, clean scholarship, clean sportsmanship, and clean living.

'66 District Hi-Y Conference . . . Success

With Mrs. Lynch's guidance, plans were made for the largest District conference ever held.

The purpose of the Hi-Y Council is to promote activity among the Hi-Y and Tri-Hi-Y Clubs. This past year Suffolk was host for the Tidewater District Hi-Y, Tri-Hi-Y Conference. It was the largest conference ever held in Virginia with an attendance of nearly 600. Plans for the conference were made through various committees in the Council. President of the Council, Mary Jane Gatling, presided over the conference with Nancy Langston serving as acting secretary.

The haggard "Mullets"! ?

The Key Club has proved a big aid to the area civic activities. The members put out "Hire the Handicapped" posters as an aid for the Retail Merchants. Houses in Suffolk received new lighting after the Key Clubbers sold light bulbs for the Bobby Traylor Scholarship Fund. During Christmas season, Salvation Army booths were manned by Key Club members. The club was very much in the holiday spirit when the members painted the Santa Claus Headquarters. The highlight of all hard work came when Key Club beat the Interact in a challenged football game. Under the sponsorship of Mr. Peachy, the Key Club has attended many conferences and conventions. As in past years, the Key Club has proved to be one of the most active and beneficial clubs of SHS.

The Interact Club is a world-wide organization sponsored by Rotary International. Its membership is composed of young men dedicated to service. Their projects render service to their school, community, and nation. The club's most outstanding project is support of a foreign orphan. After its year of organization, 1965, the Interact Club has been hard at work. By completing such projects as distributing Christmas baskets, helping at the Hillcrest Nursing Home with decorations, helping the Nansemond River Garden club, assisting Jaycees, sponsoring blood mobile drives, and other such projects, the Interact club has shown its ability to work and serve. The money gained by selling toothbrushes and by sponsoring a Christmas dance was used to support an orphan in West Germany. The money was also used to buy two new flags for our school and a donation was made to the Rescue Squad. The Interact club also serves our school by promoting school projects and holding assemblies. Even though relatively new, the Interact Club has proved to be an asset to our school and community.

LANG CLU

The purpose of the French Club is to give French students a chance to put their knowledge of French into practice in a place other than in the classroom. This year the French Club has donated some money to the Norfolk Museum in order to help them buy a painting by Renoir. The French Club also produces a new bulletin board display in Mrs. Russell's room each month.

The main purpose of the Spanish Club is to create Spanish culture and influence in Suffolk High School. During the year many programs have been given to put these ideas into effect. In December a program was presented on Spanish dress and customs. For entertainment, games were played in Spanish which enabled the members to relax and enjoy the meetings. The club also has had various projects during the year. In October the club purchased a Spanish-English Dictionary for the use of the Spanish classes of the school. At Christmas, toys were collected for needy children and taken to the Welfare Department. The club drew up a new constitution which will go into effect next year. Later, a bake sale was held to raise money for a gift from the club to the Language Department.

The Latin Society strives to bring together students who have an interest in the Latin language and Roman culture. It tries to create a deeper appreciation of the influences of this ancient civilization which are still seen today. The club has purchased several Latin publications for the use of the members. During the year the members celebrated certain Roman holidays and sponsored a Latin week.

The Future Teachers of America have been hard at work this year promoting interest in the teaching profession. The members have learned more about the teaching field, its opportunities, responsibilities, and its important role in our nation's democracy. The club members explore their own interests and abilities by acting as teachers' aids. One of the main purposes of F.T.A. is to cultivate in themselves the qualities of personality, character, and leadership, which are essential in good teachers.

The goal of the Science Club is to promote interest in science among its members and the school as a whole.

In the past the club, sponsored by Miss Koontz, put up a bulletin board on the space program. Each member gives a program on something which interests him in science.

In the future the Science Club plans to try to sponsor an assembly on a scientific subject of interest to everyone and to work with the Jefferson Science Club.

This year the D.E. Club has participated in many activities. The club observed National DECA Week in November by putting up posters around school and by placing articles in the newspaper, explaining the purpose of Distributive Education as a high school subject. The officers attended a leadership conference at Oscar Smith in September. The club's fund raising project profited from the appeal of chocolate candy. An Employee-Employer Banquet, promoting better business relationships was held in May. The most important event the D.E. Club participated in was the District Contest held at Crestwood High School. Many thanks go to the students who have helped make this year's D.E. Club an asset to the school and community. Mr. Butler has served as the sponsor of the well-formed D. E. Club.

The F.H.A. gave 14 welfare children a Christmas party and Santa Claus presented each child with gifts. The community project was a Fashion Show of Simplicity designs. All age groups were represented by these fashions. The F.H.A. mother-daughter banquet was the highlight of the year; the girls entertained their mothers with a dinner prepared and served by them.

Students stay after school to paint signs to promote school spirit.

School spirit . . . good sportsmanship . . . these are the main goals which Pep Club strives to reach, with the leadership of Miss Edge as sponsor. Throughout the year the members remained after school to paint signs for football and basketball games. At Peanut Bowl, club members were kept busy decorating the gym for the dance and preparing a float for the cheerleaders to ride on during the parade. This year's Pep Club has been an active group and has truly shown the spirit of Suffolk High.

CHEERLEADERS PROMOTE PEP

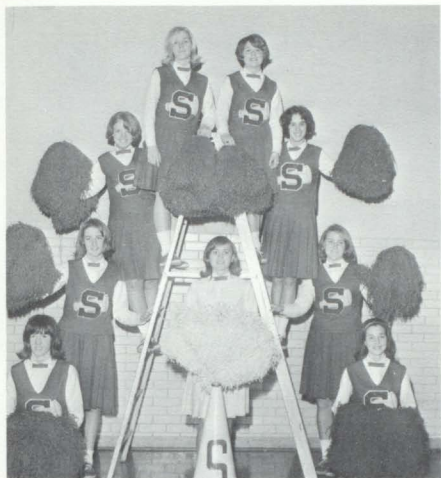

1967 CHEERING SQUAD

Co-Captains Mary Jane Gatling and Regina King, Jane Eddy, Terry Martin, Sandra Carter, Susan Tucker, Gin Brinkley, Hayden Gwaltney, Chip Caulk, Jo Anne Harrell.

Pep rallies are an essential part of school spirit because they are a means through which cheerleaders boost team morale and school pep. During a pep rally a cheerleader can be anything--a pom pon dancer, a funny midget, and even a Mother Goose character. The cheerleaders try to vary pep rallies but they always close with the singing of "Suffolk Forever."

The cheerleaders help to boost the Raiders up the ladder of victory!

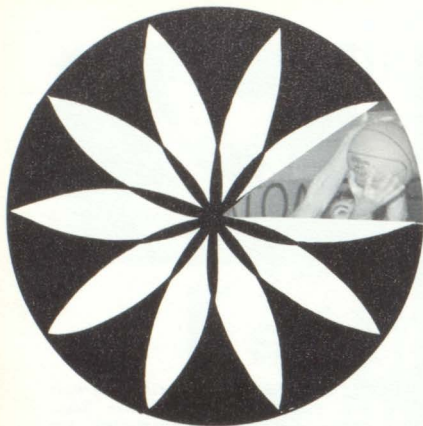

Late in August ten girls began work with their new sponsor, Miss Edge. Cheers were learned and perfected. The morning of the Franklin game found the cheerleaders in the back of a truck ringing a victory bell and shouting cheers. This was the first time the squad wore their new cotton uniforms with monograms. Throughout football and basketball season, these girls strove always to promote team support and school spirit. The J.V. cheerleaders must not be forgotten either. Their job of supporting the girls' team and the J.V. team was a job well done.

One of the most outstanding teams in many years - that just about sums up this season's highly-successful Raider football squad. Achieving the best won-lost record (7-3) in fifteen years was but one feat of the Big Red of '66. There were many outstanding individual efforts, too. Bob Sweat, called by Coach Frazier the "best quarterback to come along in a long while," was the league's top passer with nineteen TD aerials, even though he sat out the season's final game. "Bread-and-butter" carrier Larry Ward became the first thousand-yard rusher with a whopping 1,037 yards from his fullback spot. Split-end Jimmy Dixon earned fifth place among district scorers with 72 points. Captain Rawls Saecker made an impressive show in his first season after moving from tackle to guard. Sweat, Ward, Dixon, and Saecker were all honored as first-line selections on the All-District team. But above all, these and other individual effort were blended into great teamwork and many moments of glory for everyone - a sound thrashing of Forest Glen in revenge for last year's upset loss . . . victories over Group-1 First Colonial and York . . . a glorious 39-7 P-Nut Bowl triumph over Smithfield. The J.V. s provided for a number of upsets in Group 2 play. Making last minute foul shots proved to be valuable to boost the record to 15 wins and 3 losses. With the experience and willingness to work, the J.V. s will prove an asset to future basketball teams at S.H.S.

1967 DISTRICT CHAMPS

Left to Right: Ray Anderson, Captain Harry Cross, Randolph Davis, David Holland, Bob Sweat, Mike Cardelino, Tommy Harry, Jimmy Dixon, Bob Small, Phil Ferguson, Lewis Rawls.

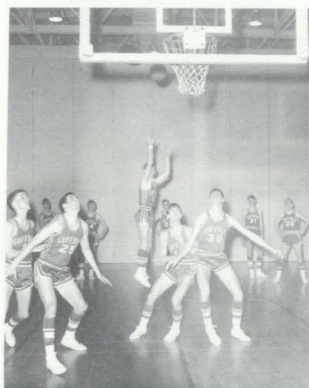

This year the Suffolk Red Raiders, coached by Bill Peachy, began their season with a 44-23 victory over Windsor. The next important date for the Raiders was January 3 when the Raiders faced Southampton. Both teams were undefeated and the winner would take over the number one spot in their district. The victory fell easily to the Raiders who swamped over the Indians. From then on, the Raiders maintained a winning streak before a narrow defeat by non-conference James Blair in overtime. Defeat did not discourage the Raiders, for in the next game against the Forest Glen Rangers, they romped over them 67-43. It was later in the season that a 62-45 victory over Franklin cinched the number one spot for the Raiders in the Group II Western Division. The Raiders ended their regular season with a record of 14-4. Now the Raiders were on their way to the Group II District Tournament at Frederick College. The Raiders won their opening game against Gloucester. The Raiders and Dukes ran a close score for the first three quarters; however, in the fourth quarter, the Raiders ran away with the game and made it an overwhelming 60-46 victory. Now the Raiders faced the James Blair Jaybees in the finals. James Blair had beaten the Raiders twice before in the regular season and naturally were favored to take the District Championship. The Raiders were really up for the game, mentally and physically, and had the backing of every student in SHS. The tide turned this time in favor of the Raiders, who led throughout the game. The final score was 38-33; the Raiders had scored their greatest victory yet and brought home with them the title of District I Group II Basketball Champions.

Hello,

Hello! How are you doing? Just thought that I'd take a few minutes to write in your book. I've looked at some of the other things written in here and they're right about you being a cute girl. Stay that way because you have a long time to go to school yet, and you'll need everything you can to get out of this place. I don't know too much to say to you except that I won't see you in the halls any more and to take care of yourself

Well, how should I begin? This year has been a lot of fun. We've had our share of good times and I'll always cherish them. It was nice having you in homeroom, you started my day off with laughter. Basketball games and dances were fun and doing the jirk was just great. Jane, best wishes in every thing you do. You'll be a great success in everything you do because with your ambition and Sincere Warmth^{it} has always been a Trade mark of Jane Rogers.

Always
Wayne
